

Employee benefits solutions

The strategic guidance and long-term approach needed for an effective employee benefits program.

For over 50 years, we've serviced and counseled thousands of clients on their employee benefits strategy. MMA has an arsenal of experts and service offerings ready to answer your every question and provide a solution for your every need. We don't just talk the talk either. With over 100 awards for being a Best Place to Work, we are also recognized as an innovator for bringing healthy programs onsite for our employees.

When it comes to employee benefits and wellness, we want what you want:

Employees to make the best benefit choices for themselves and their families

Control over spiraling claims and costs that inflate premiums

Positive impact on healthy behaviors that leads to increased productivity, reduced medical and workers' compensation costs and a better bottom line

Engaged employees and involved leaders who are equipped with educational communication tools

The MMA approach

Our approach is to provide you the most comprehensive advice and tools to control costs. MMA's team of employee benefits experts specialize in structuring plans that meet your strategic goals and generate value for your business. More than simply placing your insurance and negotiating price, we support your total benefits program by positioning your business to use the dollars devoted to employee benefits in the most efficient and effective manner possible.
