

## Employee benefits communication and education

MMA is creating engagement and positively impacting bottom lines everywhere with clear, consistent employee benefits communications.

Our passion for promoting good health and benefits awareness is contagious, and we love sharing it with our clients! MMA offers a library of tried and true collateral, campaigns and resources designed to educate your employees on how to use their benefits the right way.

We maximize your employees' health by centering our messaging around positive lifestyle choices that make health care less expensive in the long run. After all, informed participants make better benefits decisions.

### Our approach

MMA helps employees understand their benefits, make informed choices and better appreciate their benefits packages by tailoring our services around your communication goals. Whether it's simply educating employees on your benefits package, creating employee engagement or improving overall satisfaction, we offer a mix of elements that speak to your audience, including:

**Education:** summary of benefits, enrollment meeting coordination, eBenefits360, employee education campaigns

**Engagement:** customized education, on-site education, custom communications

**Satisfaction:** pulse checks, employee satisfaction surveys, custom surveys, custom communications/analysis
