

Crane and rigging industry

Crane and rigging businesses are often hit hard by the high cost of insurance. Partnering with a broker who knows your industry and is actively working to reduce your exposures can trim these costs.

Exclusive crane and rigging program offerings

Our program ensures best-in-class insurance coverage, competitive pricing and a combination of risk management services. The services help create customized features for crane and rigging while minimizing risk and improving safety. The program features include but are not limited to:

- With or without operators
- All lines including umbrella
- Riggers liability through CCC endorsement or on the hook form
- Mobile equipment definition to include cranes
- Per project aggregate
- Flexible additional insured forms
- Dedicated safety and claims

Risk management solutions for crane and rigging

Start adding the right mix of services to your insurance program. Our menu of services includes:
