

Senior living employee safety consulting

Our commitment is to partner with our clients to promote effective, consistent risk management strategies. The Marsh McLennan Agency (MMA) healthcare safety consulting team applies their expertise to understand each client's individual needs. They use proven strategies and best practices to address the most frequent and severe employee and workplace healthcare risk exposures in senior living.

The healthcare safety consulting team provides clients with a proactive risk management program that includes a combination of risk assessments, program development and educational services. These services are customized to each client's specific operations and exposures. Common areas of focus may include but not limited to:

Employee and workplace safety

Program evaluation/development and educational services:

- Hiring practices (*screening, hiring, and onboarding*)
- Employee wellness (*supporting mental health and responding to compassion fatigue*)
- Safety committee
- Vehicle safety/fleet management
- Drug free workplace
