

National HR consulting solutions

Effective, efficient HR practices will help ensure that you hire and retain the right people, keep them motivated, maintain a strong company culture and ensure company policies are current and understood, all of which will help prevent losses. You'll experience increased productivity, employee morale and reduced employee turnover.

Are you looking for assistance with:

- Compensation consulting services
- Interim professional placement
- HR compliance and operational reviews
- Talent acquisition & recruiting support
- DE&I workplace culture assessments and training
- HR transformation services
- Leadership and employee training
- "On call HR services" - ask the expert
- Concierge HR outsourcing
- Special projects including employee handbook creation and job description development
- Surveys and workplace behavior assessments

MMA's National HR Consulting Solutions are customized for individual client needs and designed to deliver improved HR operations and meet our client's goals and objectives.

Here's what you'll get:

- Guaranteed follow-up to ensure your needs are met
- On-demand solutions for questions that need an answer, fast
- Employment law services from our partners, as needed
- Help from an HR consultant or team of experts to help you manage your human resources projects, reduce risk and help you improve efficiencies
