

MMA Risk Management Center

A web-based safety and risk management platform that does the work for you.

The Marsh McLennan Agency (MMA) Risk Management Center (RMC) provides clients the ability to globally manage their risk programs through a comprehensive library of risk management and employee benefits resources. The platform provides everything from sample loss control documents and customizable safety and training programs, to human resource compliance updates and a flexible electronic injury filing structure. The RMC is delivered through six separate online modules and accessed via the MMA website. As a client, you'll have your own account, allowing you to post customized programs and policies specific to your business.
